

SKYLIGHT GmbH is offering the Communication and Language Training Certificate – Corporate (CLTC-C) from 14-19 February 2011 at Pilgrims in Canterbury. The course costs €900 and it is possible to receive a grant from the European support. Grundtvig subsidises EU citizens who want to take part in language trainings, train-the-trainer courses in connection with languages etc. They offer to fully cover the course fee of €900.

Participants have to pay the costs for travel, accommodation and food themselves, but would receive an allowance of €250 from the Grundtvig programme *in addition to* the €900 course fee.
